

Winton Castle

Activity (Covid19) Policy

- Guests will be asked to complete and sign an Activity Questionnaire & Health check to be returned to the event organiser prior to arrival.
- Contact details will be required for all participants – which will be kept for no longer than 21 days.
- All Winton staff have completed Covid 19 Training.
- All Winton staff and instructors will be wearing protective personal equipment.
- For the safety of our guests, staff and instructors, PPE will be required during activities. Should guests arrive without the necessary equipment, this can be provided.
- Staggered arrival times and one-way systems may need to be implemented.
- Maximum delegate numbers may need to be imposed to ensure the safety of staff and guests.
- Certain activities may be restricted or re-configured in line with current government guidelines.
- Equipment will be wiped down and sanitised after usage by each competitor.
- Food and drink availability may be limited in line with current guidelines.

- All staff and guests will adhere to social distancing guidelines when on site.
- Social distancing maintained between instructor and guests where practicable.
- Use of restrooms will be monitored to ensure social distancing.
- Strict Hygiene measures will be in place with accessible handwashing and sanitising stations. These should be used regularly during visits.
- Indoor spaces will be thoroughly and systematically cleaned and disinfected following a checklist that will be signed and kept on record.
- Cleaning standards are monitored and high traffic areas such as toilets, handles and handrails will be regularly cleaned during events.
