

Winton Castle

Wedding and Events Manager Needed

Can you deliver a famous wedding day for the hitched but without any hitches?

Winton is a castle near the capital; a venue and a home; a place to make memories, to unwind and recharge. It takes a special team to make guests feel special. Could **you** be a part of our Wedding & Events Team and do you have what it takes?

About you!

We're looking for a pro' who takes the job seriously - with a twinkle.

Someone who anticipates through experience, who gets the whole castle dream but is not daunted by it and can blend business with pleasure.

Someone who can get alongside concerned members of a wedding entourage, the person behind the bar and Auntie Mabel from afar.

Can you be fresh in the morning after a late shift? Will you treat each event with enthusiasm? Is your passion skin deep or deep in your DNA? Do you know your Cabernet from your Chardonnay, your filet from flank, and what's left when you take out dairy, gluten, nuts and fish?

What floats your boat and what would you bring to ours?

About us

We're an award-winning team. That goes for the events staff as much as for the gardens and grounds and the loyal contractors who enjoy coming to us year-on-year.

We're classed as unique – not just because we've a flagpole and have entertained royalty.

Our environmental credentials are green with colours to prove it and we endeavor to engage with the community and employ locally.

Guests appear wowed on entry by what they see and on exit because of the staff.

About the job

Full time with hospitality hours – so yes, often late and Saturday functions. We don't work Sundays other than to allow wedding guests to leave after a good breakfast.

It's rewarding if feedback from guests is a worthy measure

Varied – outdoors & large, small and intimate, international or local, celebration or federation, with tartan or Texan, wellies or stilettos, lycra or tiara, primary school or pensioners.

Weddings are limited in numbers each year to keep them special and tailored to each unique couple and occasion; this role is to secure bookings, plan and deliver these with colleagues in support.

Other events feature in addition with mid-week gatherings both corporate and private, daytime and evening. The message is the same – to enable Winton Castle and grounds to bring joy.

Salary: Salary range £26k - £31k. Depending on experience.

To apply: With CV and covering email to recruitment@wintoncastle.co.uk

Closing date: 26th June 2022
