Your Own Scottish Castle near Edinburgh

- Live like a Lord!

Winton Castle blends castle, palace and family home, and exudes a warm atmosphere developed over half a millennium. More than 500 years old and redesigned for entertaining royalty during the Scottish Renaissance by the king's master mason, you can enjoy Winton Castle exclusively for a truly unique experience.

The castle has a remarkable history which weaves together the Setons, Mary Queen of Scots, Henry VIII, Bonnie Prince Charlie, the Hamilton Nisbets and the Ogilvys.

Surrounded by tranquil countryside, Winton is conveniently located about 30 minutes from Edinburgh city centre and 45 minutes from Edinburgh International Airport. The castle is beautifully placed for you to enjoy the historic sights of Scotland's capital city as well as the rich, rolling landscapes of East Lothian. The county is known as 'Scotland's Golf Coast' due to its world-famous, links golf courses (Gullane, North Berwick, Muirfield, Archerfield Links, The Renaissance...).

Despite its grandeur, Winton Castle is not at all formal, and, with its roaring open fires and family ambience, is always warm and welcoming. We call it 'Intimacy on a grand scale'.

The castle is popular with families, company retreats and golfing parties, all looking for an unforgettable, inspiring experience.
